

**As Part of the 38th Annual Meeting, MANS presents:
COVID-19 Impact on the Practice of Neurosurgery Webinar
(Saturday, June 20, 8:30– 11:30 am Eastern Time)**

Dear Member,

Please join us in a lively and timely discussion about the far-reaching implications of the COVID-19 pandemic on our neurosurgical practices. As we begin to reopen and return to normalcy, it is wise to look back, learn and be better prepared from our shared experiences. We have a distinguished group of thought leaders from Michigan and around the world joining us.

Please also reference our spring [newsletter](#).

I look forward to your participation in the discussion.

Hazem Eltahawy, MD

St Mary Mercy Hospital, Livonia, Michigan
President, Michigan Association of Neurological Surgeons

Rushna Ali, MD

Director of Functional and Restorative Neurosurgery
Spectrum Health, Grand Rapids, Michigan
Member, Scientific Planning Committee, Michigan Association of
Neurological Surgeons
Webinar Moderator

Cindy Wikstrom
